

Cloud Web Filtering Service for Education & Libraries

A collection of decorative hexagonal icons in various shades of blue and cyan, arranged in a cluster on the left side of the slide. The icons include a lightbulb, a thumbs-up, a smartphone, a magnifying glass, a gear, and a speech bubble. A large, central hexagon contains the number "1".

1

Centralized security

for all your end users and networks

In 2018 tests SafeDNS blocked 98.3% of requests to adult content and 75% of other harmful sites in our test. For all the 4 years of testing SafeDNS has not had false positives.

AV-Comparatives, independent testing lab

By default, SafeDNS blocks all the categories listed under Adult Related, and almost all listed under Illegal Activity. In testing, I couldn't find any inappropriate websites that slipped past SafeDNS.

Neil Rubenking, PC Magazine

A cluster of decorative hexagonal icons in the top-left corner. The largest hexagon is light blue and contains a white lightbulb icon. Other smaller hexagons contain a thumbs-up icon, a smartphone icon, and a magnifying glass icon.
